

Assistant Director/OSI
Legislative Counsel

28 January 1952

1. There are attached herewith all of the bills in the field of atomic energy which are presently before the Congress. Some of them are of academic interest only but are forwarded for your information.

2. Will you please advise me which of these bills are of specific interest to your office and which you might like to have me follow and advise you as to progress. Will you also please advise me as to whether there is any specific CIA interest in any of these bills to the extent that our comments on them might be desirable.
